**Gurjeevan**

Year 2:

**Mariella**

- ♦ **Rowan**
- ♦ **Evie**

- ♦ 27<sup>th</sup>: Saha

- ♦ **Aria**, for making wonderful creations out of junk modelling.

And just like that ... it is half term. We have had 6 busy and exciting weeks. And we didn't slow down this last week. Highlight of the week was our poetry competition on Thursday. All 11 finalists performed their poems brilliantly. Thank you to our guest judges, Mrs Fearon and Mr Wicks, who had the very difficult task of choosing the winners.

It was Reception's last week covering the topic 'minibeasts', it has been lovely to see how engaged they have been in this topic. The children have also been learning about time this week and explored the different ways we measure time including stopwatches and clocks. In their final week of this half term, Year 1 and 2 have continued to represent the colourful world of minibeasts with some absolutely fantastic collages. They were all given an outline to use as a guide and then decorated it with clippings from gardening magazines and different types of coloured paper. These are now on display in the corridor and classroom for them to enjoy. They have also tried making a relief print of a minibeast. To do this they had to draw their design on a thin piece of paper, lay this over some styrofoam, press through and then use that to print onto card. They had great fun. Year 2 have managed to solve the mystery of the chocolate cake. Turns out it was all a misunderstanding, Mrs Emmett had put it in the cupboard to keep it fresh. This week we had our last country dancing practice in year groups. After half term, we will be mixing year groups and the children will be dancing with their partner. We hope to be able to showcase our dancing later on in the term. More information to follow!

I hope you all have a sunny and restful half term. We look forward to welcoming the children back, recharged, on Monday 7<sup>th</sup> June. Enjoy!
