2. *Communication with School*

Text Messaging & Email Correspondence

All email correspondence is sent to the person indicated on your admission form as Priority 1 contact. Important School information is sent to Priority 1 & persons listed as having parental responsibility.

We have been using a Text service for several years, which we have found to be extremely useful, particularly when we have had severe weather.

We require permission from you to transfer your mobile telephone number to our text service. The only information transferred is your child's name, year group and up to 2 mobile numbers attached to your child's data.

These numbers are pulled into our system from the information provided on your admission form for Priority 1 contact and from people listed as having parental responsibility.
