CELEBRATIONS

Oliver - Year 1

For super sentences comparing heights of members of his family.

Alexander - Year 1

For using fantastic vocabulary in his repeating pattern story.

- ♦ **Naanaki**, for looking after a friend in Mile-a-Day.
From Miss Douglas

- No birthdays this week

- ♦ **Imogen**, for amazing independent writing.
- ♦ **Mariella**, for amazing progress in reading.
- ♦ **Ollie**, for amazing progress in reading.

It has been simply wonderful to have our children back at school. The week has flown by, we have all enjoyed spending time together again! Reception have enjoyed playing with their friends and exploring all the activities in the classroom once again. The teachers have been really impressed by how well the children have settled back in and their eagerness to learn. The Garden Centre role play area outside has been very popular and we hope they will enjoy their new 'science laboratory' next week! Year 1 has had a wonderful first week back in the classroom. This week they have focused on communication and teamwork, playing lots of collaborative games and team tasks. The children have explored wellbeing through the use of the story Colour Monster and by creating their own "All About Me" tree, to be part of a school display called Dropmore Forest. Year 2 have had a very busy first week back. In addition to their contributions to the Dropmore Forest, they have designed and painted rocks for the Burnham Labyrinth Project. As part of our wellbeing week they have also painted their 'I want to talk' pebble to be kept in their desks. They have thoroughly enjoyed witnessing the hatching of our chicks and naming them. They have kept a chick diary and have been visiting them daily. Reception and Year 1 have also been regular chick visitors of course! Next week will be our science week. We have lots of interesting experiments and activities prepared for the week. On Friday it is Red Nose Day. We will be selling red noses every day next week at break time for a minimum donation of £1.50 Please send your child in with money if you are happy for them to buy one (or more!). Have a great weekend!
