**Year 1: Paloma**, for her fantastic effort in all her lessons.

## PTA HOUSE POINTS CHOCOLATE DONATIONS

Hedgehogs – 30  
Squirrels – 25  
Badgers – 27  
Foxes – 25

We had a lot to squeeze in this week: anti-bullying, road safety and Children in Need all happened to be in the same week!

Reception have enjoyed continuing with their Space theme this week. They have shared the story 'Look Up' and learnt all about what it is like to be an astronaut! As part of their work on Road Safety Week, on Monday the children thought about how to stay safe when near the road. They enjoyed setting up a bike track on the front playground and learning how to cross the road safely, as well as exploring reflective clothing with torches in the dark tent. Year 1 has had a very exciting week learning with different adults. As Miss Tolmie was on her courses they met a past teacher of ours, Mrs Sutton. They had a fabulous day and Mrs Sutton was so pleased to be in again. They then had Miss Douglas on Tuesday for a day of arts and craft, making their fabulous Christmas decorations ready for the school fair. Year 2 have had a great time writing their information texts on the computers this week. We have used all our research both from in class and our homework to help us to write our information texts. We have also been learning about column subtraction and exchanging tens for ones. This has been very tricky but they are starting to understand how this works. We had a fantastic Christmas art day this week and have made some fantastic decorations for you to buy at our Christmas fair.

It was lovely to see the children (and staff) arriving at school in their odd socks on Wednesday. We held an assembly in the morning, where the children enjoyed showing their socks to each other and talking about why they choose them. We celebrated being unique and talked about how just one kind word can make someone's day a little brighter. In the afternoon the children designed their own amazing odd socks, which will soon be displayed in school. And finally, the stage is up and rehearsals for our nativity have started. Please help your child not only learn their lines if they have any, but also learn their cues and what to listen for. It promises to be great! Have a great weekend!

## THE WEEK AHEAD

For a full list of dates, [click here](#)

- ◆ Wednesday 24<sup>th</sup>: PCSO Assembly
- ◆ Friday 26<sup>th</sup>: Movie night & Christmas Lights

## THE WEEK IN PICTURES

### Be Bright, Be Seen

### Odd socks

### A visit from Pudsey

## TREE PLANTING

We planted a little oak tree today, in support of the Queen's Green Canopy (QGC) and to celebrate the Platinum Jubilee. We have all pledged to look after it!
